

Big Announcement: Double A Roofing & Chimney Expands Roofing, Siding, Gutter, Chimney Services Across Long Island

Your Trusted Partner for Reliable Exterior Home Improvement in Long Island

Brookhaven, New York Dec 19, 2025 ([IssueWire.com](https://www.IssueWire.com)) - *Double A Roofing & Chimney*, one of Long Island's most dependable names in roofing and exterior improvement, is proud to announce the expansion of its residential and commercial services throughout Nassau and Suffolk Counties. With increased teams, upgraded equipment, and wider availability, the company is now equipped to serve more homeowners and businesses than ever before.

For more than 20 years, Double A Roofing & Chimney has delivered [trusted solutions in roofing, siding, gutters, chimneys, skylights, and deck construction](#). This new expansion strengthens the company's mission to provide **fast, reliable, and long-lasting property improvement services—backed by 24/7 emergency support.**

A Company Built on Reliability and Real Experience

In an era where many contractors overpromise and underdeliver, Double A Roofing & Chimney has built its reputation the traditional way—through consistency, quality craftsmanship, and genuine customer care.

The company remains:

- **Family-owned and community-centered**
- **Fully licensed, insured, and safety-certified**
- **Staffed by highly trained technicians with decades of industry experience**

“Our growth across Long Island reflects the trust homeowners have placed in us,” said the company's founder. “We believe in doing honest work, using the right materials, and treating every project like it's our own home.”

Enhanced Services Now Available Across Long Island

Double A Roofing & Chimney now offers expanded availability for its full suite of services:

[Roofing Installation & Repair Solutions](#)

Complete roof replacements, leak repairs, inspections, and maintenance designed for durability and weather resistance.

[Siding Installation & Repair Services](#)

Energy-efficient, low-maintenance siding options that improve property value and enhance curb appeal.

[Gutter & Drainage Services](#)

Custom gutter installation, cleaning, replacements, and drainage upgrades to prevent water damage.

[Chimney Cleaning & Repair Services](#)

From cleaning and inspections to masonry repairs and full rebuilds, the team ensures safer, more efficient chimneys.

[Skylight Installation & Repair](#)

Leak-proof skylight solutions that bring natural light into homes without compromising insulation.

Deck Construction & Restoration

Custom deck designs, installations, and refinishing to enhance outdoor living spaces.

Each service is backed by **premium materials, skilled labor, and transparent warranties.**

Stronger Presence in Nassau & Suffolk Counties

With increased staffing and broader operational coverage, the company now provides **faster scheduling, shorter response times, and greater service availability** throughout:

- Nassau County
- Suffolk County
