

Chill Factor Cooling & Heating Proudly Offers 10% Off for Military Members

Chill Factor Cooling & Heating in Norco, CA salutes our service members and veterans with a 10% discount on all HVAC services—honoring their dedication, courage, and commitment to our nation.

Norco, California Nov 3, 2025 ([Issuewire.com](https://www.issuewire.com)) - Chill Factor Cooling & Heating, a trusted local HVAC company serving Norco and the Inland Empire, is proud to give back to America's heroes through a 10% Military Discount available to all active-duty service members, veterans, and their

families. This special offer is a heartfelt way to thank those who have served and continue to protect our freedom.

Dedicated to Serving Those Who Serve

The 10% Military Discount applies to the company's full range of professional HVAC services, including:

Air conditioning installation, repair, and replacement

Heating system maintenance and tune-ups

Indoor air quality solutions and purification systems

Preventive service and maintenance plans

Whether it's a new system installation or an urgent repair, Chill Factor Cooling & Heating ensures every customer receives honest pricing, expert workmanship, and reliable comfort.

Community-Driven Service with Integrity

Proudly based in Norco, CA, Chill Factor Cooling & Heating is a family-owned company built on trust, transparency, and respect for its community. The team's mission is simple — to keep homes comfortable while treating every customer like family.

"We understand that behind every uniform is a family that's made sacrifices too," the spokesperson added. "It's an honor to serve the men and women who've served us all."

How to Redeem the Military Discount

Redeeming the offer is easy:

Schedule your HVAC service with Chill Factor Cooling & Heating.

Present a valid military ID or proof of service at your appointment.

Enjoy 10% off your total service bill — it's that simple.

There are no hidden terms or complicated requirements — just an honest discount for those who deserve it most.
