

Dr. Keerthana Ashwin: A Leading Gynecologist in Chennai Championing Normal Delivery & Advanced Women's Care

**Dhiya Fertility
& Maternity Center**

Chennai, Tamil Nadu Nov 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dhiya Fertility & Maternity Center (DFMC), located in **OMR & Sholinganallur, Chennai**, proudly highlights the contribution and leadership of **Dr. Keerthana Ashwin**, a distinguished gynecologist with **over 11 years of clinical experience** in women's health, fertility care, and evidence-based maternity support.

With a special focus on **normal deliveries, high-risk pregnancy care, PCOS management, fertility treatments (IVF, IUI, ICSI)** and advanced gynecology services, Dr. Keerthana has established herself as one of **Chennai's trusted specialists** for maternal and reproductive healthcare.

Her clinical approach is rooted in **strong ethics, patient-first philosophy, and medical accuracy**, resulting in consistent clinical outcomes and high patient satisfaction.

*"Every woman deserves care that respects her body, her choices, and her journey into motherhood. My goal is to ensure safe and confident birthing experiences, and to guide couples through fertility challenges with clarity, compassion, and science-backed treatment," said **Dr. Keerthana Ashwin**.*

Excellence in Normal Deliveries & Fertility Success

Over the years, Dr. Keerthana has assisted numerous mothers in achieving **safe, natural, and assisted vaginal births**, making her a preferred choice for women seeking **normal delivery-focused care**.

Her practice also demonstrates **strong IVF success rates**, supported by individualized treatment planning, detailed assessment protocols, and close patient monitoring.

Comprehensive Women-Centric Care

At DFMC, Dr. Keerthana and her multidisciplinary team offer:

- Pregnancy care & delivery services
- Fertility treatment & reproductive counseling
- PCOS/PCOD diagnosis & management
- High-risk pregnancy expertise
- Minimal-intervention childbirth support
- Postnatal recovery & lactation guidance
- Hormonal health & general gynecological care

DFMC also integrates **maternal physiotherapy**, ensuring holistic prenatal and postnatal recovery.

Commitment to Quality & Patient Trust

Known for her **professionalism, precision, and calm medical approach**, Dr. Keerthana builds confidence through:

- Accurate diagnosis and evidence-based treatment
- Personalized pregnancy & fertility plans
- Respectful communication and emotional support
- Focus on patient safety and ethical care

Her guidance and clinical acumen have helped many families in Chennai navigate motherhood and fertility with trust and optimism.
