Jaisalmer, Rajasthan Nov 16, 2025 ([Issuewire.com](https://www.Issuewire.com)) - [Dune Trekking](#), one of Jaisalmer's most trusted and locally operated adventure travel companies, proudly announces the launch of its **new and upgraded desert experience packages** for the 2025–26 travel season. Built on years of expertise and a passion for showcasing the true beauty of the Thar Desert, the company is expanding its offerings to meet growing demand from both domestic and international travelers.

The new packages include **sunset camel safaris, guided dune trekking, village walk tours, jeep adventures, stargazing nights, traditional Rajasthani meals, and luxury desert camping experiences**. Each tour is designed to provide a meaningful connection to desert life while ensuring

comfort, safety, and eco-friendly practices.

“Our mission is to help travelers experience the desert the way locals know it — peacefully, authentically, and respectfully,” said the founder of Dune Trekking. “This season, we have introduced new routes, upgraded camping facilities, and personalized itineraries to match the unique preferences of every traveler.”

Dune Trekking focuses heavily on **sustainable tourism**, employing local guides, responsibly caring for camels, and avoiding overcrowded tourist spots. Travelers can look forward to peaceful dunes, remote desert landscapes, warm hospitality, and cultural interactions that reveal the true heart of Rajasthan.

Whether you’re a solo explorer, a couple seeking a romantic getaway, a family on vacation, or a group of adventure lovers, the new tour packages offer something for everyone. Guests can choose from **half-day, full-day, overnight, and multi-day safaris**, all tailored to deliver an unforgettable desert experience.

As bookings for the 2025–26 season open, Dune Trekking invites travelers from across the world to discover the magic of sleeping under the stars, walking across golden dunes, and experiencing the living culture of the Thar Desert.
