

FranchiseVoice.com Launches With a 90-Day Pathway to Business Ownership

Toronto, Ontario Nov 17, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Franchise Expert Kabir Chaudhry Announces the Launch of FranchiseVoice.com, a New Platform Helping Entrepreneurs Step Into Business Ownership Within 90 Days

Growth Master Inc. has announced the launch of FranchiseVoice.com, a new franchise discovery and growth platform created to help aspiring entrepreneurs become franchise owners in as little as 90 days. Featuring one of the largest online databases of franchise brands across the United States and Canada, FranchiseVoice.com introduces a modern and transparent way for future business owners to research, compare, and confidently invest in franchise opportunities.

FranchiseVoice.com functions as a complete ecosystem for franchise exploration. The platform includes detailed franchise listings, educational guides, industry insights, and the FranchiseVoice Podcast, which features conversations with franchisors, founders, and experienced operators. Entrepreneurs can use the platform to understand investment requirements, training programs, support systems, and overall brand potential. Growth Master Inc. also provides franchisors with marketing and lead generation services designed to accelerate development and increase brand visibility.

“At FranchiseVoice.com, our goal is to simplify and modernize the franchise journey,” says founder Kabir Chaudhry. “Many people want to own a business but do not know where to begin. FranchiseVoice.com helps them move from interest to ownership within 90 days by giving them clear information and expert guidance.”

A New Franchise Platform for Modern Entrepreneurs

FranchiseVoice.com brings together franchise research, consulting, and education in a single connected environment. Key features include:

Extensive Franchise Database

Hundreds of franchise brands across North America in food service, home service, wellness, retail, education, and other high demand categories.

Transparent Franchise Profiles

Each listing provides investment ranges, brand background information, royalty details, training programs, and candidate requirements, all presented clearly for easy comparison.

Educational Tools and Resources

Guides, articles, financing information, and due diligence checklists help buyers understand every step involved in franchise ownership.

FranchiseVoice Podcast

Interviews and insights from franchisors and industry leaders give buyers practical knowledge and real

world perspectives on franchise operations.

Ninety Day Franchise Ownership Pathway

A structured process that assists candidates with research, brand matching, screenings, and financing preparation, often leading to franchise ownership in 90 days.
