

Future Manager World joins Texas Advisory Services as a Strategic Partner

Strategic Partnership Empowers Companies to Expand Globally with Integrated HR Solutions and Expert Local-Abroad Insight

Dallas, Texas Nov 29, 2025 ([Issuewire.com](https://www.issuewire.com)) - Texas Advisory Services is pleased to announce a strategic partnership with Future Manager World (FMW), a global HR consultancy that supports companies with international ambitions.

Future Manager World's distinct value lies in its ability to combine tailored HR and advisory strategies with expertise delivered by professionals who live in the markets in which they operate. FMW helps organizations build high-performing teams, optimize workforce structures, and navigate the complexities of global expansion with confidence and agility. Its local-abroad approach ensures seamless alignment between corporate goals and the realities of each market.

With a presence spanning 5 continents, 62 cities, and 40 countries, Future Manager World delivers a unique combination of global expertise and local insight. The firm has partnered with more than 7,000 clients, assisting them in talent acquisition, workforce development, and corporate training to meet their strategic goals abroad.

Future Manager World is represented in the U.S. market by [Future Manager USA LLC](#), led by Kevin Naylor. Future Manager USA exists specifically to support American companies with global growth plans, as well as global companies expanding their presence in the United States.

Key HR and global expansion focus:

- Global HR Strategy – Supporting international growth with aligned people and organizational strategies
- Talent Acquisition & Development – Building and upskilling high-performing teams across borders
- Local-Abroad Expertise – Ensuring HR, legal, and cultural alignment in each market

Through this partnership, Texas Advisory Services strengthens its ability to align strategy, operations, finance, and human capital for clients pursuing international growth.

Texas Advisory Services is a strategic consulting firm dedicated to helping businesses achieve sustainable growth by aligning strategy, finance, operations, and human capital. Led by experienced Managing Directors [Stefan Boehmer](#), [Robert Schies, MBA, LSSBB](#), and [Boris Todtenhaupt](#), the firm combines deep executive expertise with a trusted ecosystem of partners to provide practical, actionable guidance. Its services include operational improvement, financial advisory, HR strategy, and technology integration, all designed to help owners and management teams optimize performance, build high-performing teams, and navigate complex business challenges with confidence.

Together, Texas Advisory Services and Future Manager World will help business leaders expand with confidence, leveraging integrated HR and advisory capabilities to enhance performance, resilience, and sustainable growth.
