

Guzel Can Gida Expands Global Reach as a Premium Malatya Apricot Exporter Since 1990

Family - owned Turkish dried fruit producer , operating since 1990, strengthens international presence with BRCGS , ISO , Halal and Kosher certified production.

Yesilyurt, Malatya Nov 1, 2025 ([Issuewire.com](https://www.issuewire.com)) - Established in 1990, Güzel Can Gıda is expanding its global presence as a trusted exporter of premium Malatya apricots, dried fruits and nuts. With more than three decades of industry expertise, the family-owned company continues to bring Türkiye's finest dried fruits to international markets.

Güzel Can Gıda operates a modern production facility in Malatya, the global capital of apricots, where it maintains strict quality standards and advanced food safety systems. The company specializes in producing and exporting premium dried apricots, figs, raisins and nuts, serving markets across Europe, Asia, and the Americas.

With full compliance to BRCGS, ISO, Halal and Kosher certifications, Güzel Can Gıda guarantees safe, high-quality products with full traceability and consistent supply.

“Since 1990, our mission has been to deliver the authentic taste and quality of Malatya apricots to the world with honesty, sustainability, and long-term trust,” said Hasan Can Güzel, company representative.

With sustainable sourcing, strict hygiene practices, and a commitment to continuous improvement, Güzel Can Gıda proudly represents Türkiye’s dried fruit heritage on the global stage.
