Trusted Brands and Proven Technology

Hansen Surfboards curates only premium-quality wetsuits from top-performing brands, including Hansen, Rip Curl, Xcel, Vissla, and O'Neill. Each brand is chosen for its commitment to quality craftsmanship, innovative design, and environmental responsibility.

Rip Curl, a world leader in wetsuit technology, offers exceptional products such as the Rip Curl Flashbomb and E-Bomb, known for their quick-dry lining, superior stretch, and warmth retention.

O'Neill, the pioneer of the wetsuit, continues to lead with cutting-edge materials like Technobutter, delivering superior elasticity and reduced water absorption.

Vissla blends eco-minded design with high performance, using limestone-based neoprene and recycled materials to achieve sustainability without compromising feel or flexibility.

Xcel focuses on warmth and performance, providing advanced thermal linings and precision paneling to maximize comfort and mobility.

Hansen's own wetsuit line emphasizes exceptional value, fit, and comfort, reflecting decades of firsthand knowledge of what surfers truly need.

Surf Booties and Accessories for All Seasons

The wetsuit lineup is complemented by a versatile range of surf booties and accessories designed to enhance performance in every condition. Hansen Surfboards now offers both Rip Curl Women's Surf Booties and Rip Curl Men's Surf Booties, crafted to keep feet warm and protected during colder sessions and rugged reef breaks.
