

Hilary Duff Came Back to Music After 10 Years with The Song 'Mature'

The profound singer, Hilary Duff, made a comeback to the industry after a total of 10 years. Her new song 'Mature' is captivating all listeners quite seamlessly.

Los Angeles, California Nov 7, 2025 ([Issuewire.com](https://www.issuewire.com)) - Hilary Duff has finally come up with her new single after 10 years, named 'Mature'. As the artist has dropped a soundtrack after so many years, which is why it is creating a huge sensation among all. The artist has also offered a music video that was released on 6th November, Thursday. It was a bonus for all of her fans. Duff announced the release of

the music video earlier this week, which made all of her fans extremely excited. And right after a couple of days, she brought the video to all the audiences and ended their anticipation.

As the audience got to listen to the soundtrack, everyone perceived that it was a conversation between an old and a young woman, vying to win a man's heart. But, later, the artist said that she didn't perceive that writing in this manner and it is quite different from her. The artist said in an interview 'Mature' is a little conversation that my present self is having with my younger self'. She even added 'The two of us are reflecting on a past experience and sending love to each other. It's a chuckle, a wink and a sense of being grateful that we are sure-footed in where we landed'.

Duff sings in the track 'She's me / I'm her / In a different font / Just a few years younger / A new haircut'. She even continued singing 'Very Leo of you / With your Scorpio touch / Now now'. There are many assumptions, as the artist mentions a 'Leo'. It came to know that she had referred it to Leonardo DiCaprio. The popular artist is quite infamous for dating younger women. Even at the age of 50 years, she is currently dating the model, Vittoria Ceretti, of 27 years old. Such behaviour led to many controversies and Duff has given a subtle reference to that.

In the chorus, the artist even sang 'She looks / Like all of your girls but blonder / A little like me just younger / Bet she loves when she hears you say / You're so mature for your age, babe'. It can be said that Duff has come up with quite a unique music creation. Now it is coming to know that Hilary Duff is returning to music after 10 years, which is quite exciting for all.
