

Home Inspector Proz Announces Official Relocation to Boca Raton, Expanding Home Inspection Services Across South Florida

Certified home inspector Nikolay Barkalin strengthens local coverage across Palm Beach, Broward, and Miami-Dade Counties while continuing to provide same-day inspection reports and professional service.

Boca Raton, Florida Nov 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Home Inspector Proz LLC](#), a certified and insured Florida home inspection company, has officially relocated its headquarters from Miami to Boca Raton, Florida. This strategic move enhances the company's ability to provide faster service, local expertise, and expanded availability for homeowners, real estate professionals, and insurance agents throughout Palm Beach, Broward, and Miami-Dade Counties.

According to company founder **Nikolay Barkalin**, the relocation marks a milestone in the business's growth and its long-term commitment to South Florida.

"Relocating to Boca Raton allows us to be closer to our clients in Palm Beach County while maintaining same-day report delivery and competitive pricing across the tri-county area," said Barkalin. "Our focus remains on professionalism, accuracy, and education. Every client deserves a clear understanding of their property's condition before making important financial decisions."

Home Inspector Proz LLC (License #HI18198) is fully certified by the [Florida Department of Business and Professional Regulation](#) and carries comprehensive liability insurance through Progressive Advantage Agency, Inc. The company provides a full suite of residential inspection

services, including:

- General Home Inspections
- 4-Point Insurance Inspections
- Wind Mitigation Inspections
- Roof Certifications

Each inspection is performed using advanced digital tools and documented through Spector software, which delivers a detailed, photo-rich report on the same day. Reports highlight the home's structural, electrical, plumbing, and roofing systems — helping clients identify maintenance priorities and potential safety issues early.

Relocating to Boca Raton also places Home Inspector Proz in a strong position to serve one of Florida's fastest-growing regions. The company's new central location shortens travel times between Palm Beach and Miami-Dade, allowing for same-day availability across much of South Florida. Barkalin notes that the move supports the company's mission to make professional inspections more accessible, transparent, and educational for homeowners.

Beyond individual inspections, Home Inspector Proz maintains an educational publishing program, sharing home maintenance and safety insights on its [Blog page](#) to help residents understand their properties better year-round.

Homeowners and agents can schedule inspections online at www.homeinspectorproz.com or by calling (305) 482-3232. The company's new headquarters is located at 9611 Oregon Rd, Boca Raton, FL 33434.
