Navplion, Argolis Nov 4, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Write by the Sea in Greece—A 7-Night Author Retreat in Tolo

Imagine Greece Retreats is hosting a small, intimate writing retreat this November in Tolo, a charming seaside village in the Peloponnese. It's made for writers who want to finish their book, improve their craft, and feel supported—not rushed.

Led by international thriller author [Jonas Saul](#), this retreat includes daily writing sessions, one-on-one feedback, guided story development, and relaxed dinners overlooking the sea. Guests will enjoy quiet beaches, a warm local welcome, and time to breathe and create.
