London, United Kingdom Nov 2, 2025 ([IssueWire.com](https://www.issuewire.com)) - Elena Lamberti — International Performer and Visionary Designer — Unveils the Next Era of ELLAMBERTO

International performer, songwriter, and couture designer Elena Lamberti launches a new chapter of her global brand ELLAMBERTO, blending music, fashion, and art into one cinematic experience.

From couture gowns to stage performances, Elena creates a world where elegance meets emotion. Her signature style — “quiet luxury with a soul” — has already captivated audiences across Europe, the Middle East, and Asia.

Through ELLAMBERTO, she bridges the power of sound and design — each collection inspired by her original music and visual storytelling. Her vision unites performance, couture, and cinematic aesthetics into one international language of beauty.

“I want women to feel like art — powerful, timeless, and free,” says Elena Lamberti.

Upcoming releases and fashion showcases will continue expanding the brand’s artistic universe — from red carpets to digital stages.
