John’s journey to becoming a real estate expert is both inspiring and multifaceted. Originally born in Canada, he immigrated with his family to Portland, Oregon. His diverse background includes working as a builder and carpenter in the trades and building industry while completing college and flight school. John became a commercial pilot with Alaska Airlines and later United Airlines, where he gained valuable experience while meeting business owners and celebrities worldwide. Throughout his aviation career, he also owned and operated several businesses and engaged in real estate, building, renovating, buying, and selling homes across various states, including Oregon, Washington, California, Illinois, and Arizona.

With a deep passion for real estate, John eventually sold his businesses and transitioned from the commercial aviation world to focus on Quick Cash Phoenix Homes. He and his mission-driven team focus on providing off-market acquisitions, renovation partnerships, and flexible sale options, empowering homeowners to make informed decisions quickly and confidently.

John’s dedication to the Arizona community is reflected in his recognition as one of the top 1% of real estate producers in the state. His results-driven approach is rooted in hard work, honesty, and an unwavering commitment to transparent communication with every client. He values the dynamic opportunities within the Arizona market and works diligently to guide clients through buying, selling, and investing in the region.

Most recently, John collaborated with the Scottsdale Police Department in an effort to protect vulnerable homeowners. He assisted in organizing a sting operation aimed at catching suspected title thieves who were attempting to steal a senior’s home. This experience further fueled his commitment to safeguarding Arizona’s aging population, leading him to launch the Stop Home Title Theft Initiative™—a program dedicated to educating the public and combating this rapidly growing crime targeting seniors.

In addition to his professional pursuits, John enjoys a fulfilling family life with his wife, Kris, and their four daughters and two grandchildren – with more on the way. The Rowans love hosting family, friends, and clients, showcasing the beauty of Lake Pleasant, the charm of Sedona, the shopping in Scottsdale, and

the unique shops of Cave Creek. John Rowan's wealth of experience and commitment to providing tailored real estate solutions make him a standout figure in the Arizona real estate landscape. For homeowners and investors seeking strategic guidance and support, Quick Cash Phoenix Homes remains a trusted partner in navigating the complexities of the real estate market.
