Delivering High-Quality Recovery Treatments Across a Range of Addiction Disorders

Twin Falls, Idaho Nov 27, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Kelly Smothers, LPC, ICADC, SAP, a distinguished Licensed Professional Counselor, Internationally Certified Alcohol and Drug Counsellor, and Substance Abuse Professional, is making significant strides in the behavioral health field through

her leadership at Kimi Recovery Center, LLC. With a strong commitment to supporting individuals and families grappling with substance use and mental health challenges, Kelly combines over two decades of experience with a deep understanding of the complexities of recovery.

Graduating with a Bachelor of Science from the University of Idaho in 2010 and completing her Master of Science in Counseling at Grand Canyon University in 2015, Kelly has dedicated her career to providing compassionate, evidence-based care. As the owner and key principal of Kimi Recovery Center since its inception in 2017, she has fostered a transformative environment for those seeking recovery. The center, named in honor of a dear friend lost to cancer, reflects Kelly's personal commitment to healing and support.

Kimi Recovery Center, located in Twin Falls, Idaho, offers an array of outpatient mental health and substance abuse services, including Intensive Outpatient Treatment, standard outpatient therapy, drug and alcohol assessments, and Comprehensive Diagnostic Assessments. With a client-centered approach, Kelly and her team focus on creating lasting recovery pathways and enhancing emotional well-being for each individual they serve.

Under Kelly's visionary leadership, Kimi Recovery Center has earned a reputation as a trusted provider within the Outpatient Care Centers and Ambulatory Health Care Services sectors, contributing significantly to the Health Care and Social Assistance community. Her emphasis on personalized treatment, community involvement, and holistic healing resonates with clients and colleagues alike, inspiring a culture of recovery-focused care.

"What I enjoy most about practicing medicine is seeing the positive impact my work has on my clients and their families," Kelly shares. "It's deeply rewarding to witness their progress, knowing that the care and support I provide help improve their quality of life and bring comfort to those who matter most to them."

As she looks to the future, Kelly is eager to expand her contributions to the field through professional writing and educational initiatives. Her goal is to share knowledge, inspire growth, and support the continued advancement of healthcare practices in the realm of substance use and mental health.
