MANILOTTI

Global Taste. Italian Soul

Milan, Italy Nov 28, 2025 ([Issuewire.com](https://www.issuewire.com)) - **MANILOTTI UNVEILS SMARTCHEF Oven , Revolutionary Smart Kitchen Appliance Technology**

New Generation of WiFi-Connected Ovens and Microwaves Debuts Q1 2026

Manilotti, a luxury Italian kitchen appliance brand, today announced the launch of SmartChef™, a revolutionary generation of intelligent built-in cooking appliances with integrated WiFi connectivity and AI-powered culinary features. The collection features 90cm multi-function ovens and intelligent microwaves designed for residential luxury kitchens worldwide, available starting Q1 2026.

THE SMARTCHEF™ INNOVATION

SmartChef™ is an intelligent cooking platform integrating three core innovations: intelligent WLAN connectivity enabling complete remote control via a dedicated mobile app with real-time updates and access to a global recipe library;

ABOUT MANILOTTI
