

Meet Kenneth Myers, MS, OTR/L: Occupational Therapist at Ohman Family Living at Blossom

Helping Residents Thrive Through Every Phase of Care with Compassion and Expertise

Akron, Ohio Nov 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - Kenneth Myers, MS, OT, a Licensed Occupational Therapist, is making significant strides in the field of occupational therapy with a focus on the critical intersection of work and health. With over a decade of experience, his career reflects a deep commitment to providing high-quality patient care across various rehabilitation settings.

Dr. Myers began his journey in occupational medicine at Gannon University, where he earned his Master of Science in Occupational Therapy in 2014. His professional career took off at Blue Sky Therapy in Kingsville, Ohio, where he honed his skills from 2014 to 2015. He then joined Trinity Rehabilitation Services in Ashtabula, Ohio, where he gained extensive experience in skilled nursing, assisted living, and home health environments from 2015 to 2022.

In 2022, Dr. Myers advanced his career at Aspen Therapy Services in Madison, Ohio, specializing in short- and long-term rehabilitation, dementia care, and psychiatric support until 2023. His commitment to excellence continued at Embassy Healthcare in Madison, where he further supported patients in rehabilitation and long-term care settings until mid-2024. He has also made significant contributions at Broad River Rehab and Synergy Care, Inc. in Chardon, Ohio, focusing on comprehensive therapy for both short- and long-term care patients.

Since January 2025, Dr. Myers has been an Occupational Therapist at Ohman Family Living at Blossom in Huntsburg, Ohio. He is dedicated to supporting patients through all phases of care, from post-hospital recovery to long-term management, ensuring residents transition smoothly while receiving individualized care.

In addition to his clinical work, Dr. Myers completed a Care Management Internship at the Butler County Area Agency on Aging in 2011, shaping his holistic approach to patient care and rehabilitation. He is board-certified and licensed through the Ohio State Occupational Therapy License and holds NBCOT credentials, underscoring his commitment to professional excellence.

Active in the American Occupational Therapy Association and Sigma Phi Omega, Dr. Myers remains connected with his peers and contributes to the advancement of occupational therapy. His dedication to community service is evident through his involvement in programs like “I Can Do It, You Can Do It” and the ADV Vets Program, advocating for education, rehabilitation, and wellness initiatives.

With a patient-centered approach and a focus on workplace wellness, Dr. Kenneth Myers is a trusted resource for employers and employees navigating work-related health challenges, embodying the spirit of compassionate care in occupational therapy.
