

Meridian Solutions Achieves AWS Advanced Tier Services Partner and Authorized Commercial Reseller Status

Advanced Tier Services Partner and Authorized Commercial Reseller status reflect deep technical proficiency and strong delivery performance.

Meridian
ENABLING BUSINESS PROCESSES

Gurgaon, Haryana Nov 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - Meridian Solutions has been recognized as an [AWS Advanced Tier Services Partner](#) and Authorized Commercial Reseller within the AWS Partner Network (APN). These achievements reflect the company's growing technical depth, strong customer delivery record, and commitment to driving cloud adoption for businesses of all sizes.

The Advanced Tier designation is awarded to partners who demonstrate proven expertise, certified capabilities, and consistent success in deploying secure, scalable, and cost-efficient cloud solutions on AWS. This milestone strengthens Meridian Solutions' ability to support organizations in their cloud transformation journeys.

Key Achievements Leading to AWS Advanced Tier Recognition

Enhancing sales efficiency for a leading training institute with AI-powered call auditing

Meridian Solutions implemented an AI-driven Call Audit Solution on AWS for a major training institute operating a large calling team. This deployment delivered:

- Automated call quality checks
- Comprehensive performance tracking
- Communication analysis for deeper insights
- Faster and more accurate evaluations
- Improved lead conversion rates and stronger training outcomes

Accelerating cloud adoption through the AWS SMB Program

Under the AWS SMB Program, Meridian Solutions supported multiple small and medium businesses in adopting AWS securely and efficiently. Key contributions included:

- Launching and managing several AWS customer accounts
- Delivering secure and seamless migrations
- Implementing tailored cloud environments
- Optimising workloads for performance and cost efficiency
- Strengthening operational readiness and digital transformation efforts

As an AWS Advanced Tier Services Partner and Authorized Commercial Reseller, [Meridian Solutions](#) gains access to enhanced AWS support, advanced tools, and new co-innovation opportunities—enabling even greater impact for customers.
