

MetaMuzik Announces Registration for Upcoming West Africa Promo Tour

Greater Accra, Ghana Nov 11, 2025 ([IssueWire.com](https://www.issuewire.com)) - MetaMuzik, a music consulting firm, proudly announces that registration is now open for the **2026 MetaMuzik West Africa Tour**, taking place from **March 28 to April 6, 2026**. With plans to unite artists, DJs, producers, and music professionals from across Africa and the diaspora. They will design both a promotional and networking experience that will spotlight performances, interactive workshops, and community activations.

The MetaMuzik Tour will start in Ghana and journey to Togo and Nigeria, offering an immersive experience that celebrates sound, culture, and connection. Registration is now open, with flexible payment options. Music professionals ready to elevate their creative journey are encouraged to secure their spot early for this unforgettable West African tour.

The tour welcomes recording artists seeking exposure and international collaborations; producers and DJs looking to connect with new talent and perform across borders; music executives, media, and brand representatives exploring partnerships and emerging markets; as well as fans and supporters eager to experience the pulse of music and culture firsthand.

Registration is now open! To join the MetaMuzik West Africa Tour, visit metamuzik.us for full participation details and early access opportunities.
