Dubai, United Arab Emirates Nov 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - The summit, scheduled for **12th November 2025** at **Dubai Chambers, Deira**, brings together global business leaders, policymakers, and innovators to strengthen economic cooperation between India and the UAE under the theme

“Gateways to Global Growth.”

[Mr. Dhage](#) will share his insights during the session titled “**Emerging Horizons – India–UAE and the New Age Synergies,**” alongside distinguished panelists and global thought leaders. His participation highlights WinEdge’s growing influence as a leading Indian manufacturer in the polymer and furniture accessory sectors — and underscores India’s pivotal role in advancing sustainable industrial growth on the world stage.

With over **28 years of corporate and industrial experience**, including **22 years of deep specialization in edgeband manufacturing**, Mr. Dhage has been instrumental in redefining standards of quality, technology, and innovation through [WinEdge](#) — a brand built on precision, perseverance, and purpose. His invitation to this global platform is a testament to his leadership, vision, and contribution to India’s manufacturing excellence.

Speaking about the upcoming event, **Mr. Dhage** shared:

“The India–UAE partnership is a shining example of how collaboration and shared vision can unlock new frontiers of growth. I’m honored to represent WinEdge and the Indian manufacturing community at this global platform and look forward to contributing to conversations that shape the future of sustainable, innovation-driven industry.”

This milestone reflects [WinEdge's](#) continued commitment to driving innovation, empowering people, and positioning Indian manufacturing as a force for global progress.
