

Ness Restoration Announces New Nampa Location to Better Serve the Treasure Valley

Same trusted team—now even closer to home. Ness Restoration expands to meet growing demand in Nampa, Idaho, and beyond.

Nampa, Idaho Nov 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Ness Restoration & Remediation, Inc.](https://www.nessrestoration.com), a trusted name in disaster recovery and property restoration across the Treasure Valley, is proud to announce the opening of its new **Nampa location at 16545 Madison Avenue**, conveniently located in the same parking lot as Capitol City Transmissions.

This expansion marks an exciting milestone for the locally owned company, which has been serving Idaho homeowners and businesses for over three decades. The new facility will allow Ness Restoration to **respond more quickly and efficiently to water damage, fire, and smoke damage emergencies** on the west side of the Treasure Valley, including Nampa, Caldwell, and Middleton, Idaho.

“This new location will enable us to service the west side of the Treasure Valley more quickly and efficiently,” said **Brian LePire**, Co-Owner of Ness Restoration. “It’s just five minutes from the Franklin

Road exit, making it very convenient for both our customers and our team. We're looking forward to serving this community for many more years to come."

Ness Restoration continues to uphold its long-standing reputation for **integrity, professionalism, and local expertise**, offering 24/7 emergency response and industry-certified remediation services for **water damage, mold removal, fire and smoke cleanup, and crawl space restoration**. They will also continue to operate out of their Boise office located at 2650 South Cole Road, #B.

With this expansion, the company reaffirms its commitment to providing **reliable, family-owned service** across the entire Treasure Valley.
