Bengaluru, Karnataka Nov 13, 2025 ([Issuewire.com](https://www.issuewire.com)) - Original **Agarwal Packers and Movers – Bade Bhaiya (DRS Group)**, one of India's most trusted and recognized names in the logistics and relocation industry, proudly announces the enhancement of its service network and operational

infrastructure in **Bangalore and Mumbai**. The initiative aims to deliver smoother, safer, and smarter relocation experiences for individuals, families, and businesses moving within or beyond these major metros.

For over three decades, **Original Agarwal Packers and Movers (DRS Group)** has been synonymous with innovation and reliability in household shifting, corporate relocation, vehicle transportation, and warehousing solutions. The company's expansion across the two high-demand markets of Bangalore and Mumbai underscores its commitment to service excellence, customer satisfaction, and nationwide logistics leadership.

A Legacy of Trust and Innovation

Founded by **Shri Ramesh Agarwal (Bade Bhaiya)**, the DRS Group has built a reputation rooted in honesty, professionalism, and care. With over **38 years of operational experience** and **1.5 lakh+ satisfied customers annually**, the Original Agarwal Packers continue to redefine relocation standards in India.

Their proprietary innovations, such as **LED-labeled "Trucking Cubes (Containers)"**, **Fabric Sheets for Eco-Friendly Packing**, and **Safety Belts for furniture**, have set industry benchmarks in packing and transit safety.

Enhanced Operations in Bangalore and Mumbai

Recognizing the ever-growing relocation needs of metropolitan India, the company has reinforced its operational presence in:

- **Bangalore** – catering to both IT professionals and families relocating across the city's tech corridors and emerging suburbs.
- **Mumbai** – serving the financial capital's dynamic mix of corporate relocations, family shifts, and intercity moves with specialized service modules.

With upgraded fleets, advanced packaging materials, and dedicated customer support units, the company ensures **timely, transparent, and damage-free deliveries** across every corner of India.

"We are committed to creating stress-free relocation experiences for our customers. Our investment in technology, trained manpower, and innovative logistics systems allows us to deliver unmatched reliability and safety — especially in complex urban markets like Bangalore and Mumbai," said **Mr. Ramesh Agarwal**, Founder and Mentor, Agarwal Packers and Movers (DRS Group).

Technology-Driven Relocation Experience

Original Agarwal Packers and Movers has integrated several tech-enabled systems to enhance the customer journey:

- **GPS-enabled fleet tracking**
- **Real-time move status updates**

- **Barcode-based inventory management**
- **AI-assisted quote estimation tools**
- **Dedicated move coordinators for personalized support**

These features ensure that every move is monitored, transparent, and secure — whether local, interstate, or international.

Safety, Sustainability, and Customer Care

Safety has always been the brand's cornerstone. From **double-layered waterproof packing** to **shock-resistant trucking cubes**, the Original Agarwal Packers and Movers employs globally accepted safety protocols for every consignment.

Moreover, the company champions sustainability by adopting **reusable packaging materials**, **green transport practices**, and **eco-conscious warehousing solutions**, helping reduce carbon footprint across its operations.

"Every relocation we handle is not just about moving goods; it's about moving emotions, memories, and trust. That's why we treat every item as our own," added **Mr. Dayanand Agarwal (Bade Bhaiya)**, guiding visionary of DRS Group.

Customer-Centric Approach

Original Agarwal Packers and Movers (DRS Group) continues to maintain one of the **highest customer retention rates** in the industry. Their "**Customer First, Always**" policy ensures responsive after-move assistance, transparent billing, and quick resolution of claims, backed by a dedicated **24x7 customer support team**.

Their comprehensive range of services includes:

- **Household Shifting**
- **Office Relocation**
- **Vehicle Transport (Cars & Bikes)**
- **Storage & Warehousing**
- **International Moving**
- **Pet & Plant Relocation**
