

Power Washing San Ramon Company Earns Diamond Certification for Exceptional Customer Satisfaction

San Ramon, California Nov 3, 2025 ([Issuewire.com](https://www.issuewire.com)) - Professional Power Washing & Property Maintenance (PPWPM) has officially become San Ramon's first Diamond Certified power washing company, setting a new benchmark for quality, trust, and customer care across the Bay Area.

To achieve **Diamond Certified status**, PPWPM underwent a **rigorous 12-step rating process**, including an **independent survey of past customers**, verification of business credentials, and confirmation of consistent, high-quality performance. The company achieved a **customer satisfaction score above 90 out of 100**, demonstrating its long-standing commitment to excellence and reliability.

in **roof cleaning, residential & commercial power washing, gutter cleaning, window cleaning, and property maintenance services.**

“Becoming Diamond Certified validates the trust our customers place in us,” said Brandon Cody, CEO of PPWPM. “It confirms that our promises, like the **\$5,000 Satisfaction Guarantee** and **3-Week Rain Guarantee**, aren’t just marketing claims, but proven standards we live by.”

PPWPM’s certification reflects the company’s adherence to **ongoing monitoring and quality audits**, a requirement to maintain Diamond Certified status. Customers can now identify PPWPM as a trusted, verified provider under the ‘**Highest in Quality and Helpful Expertise®**’ rating.

To learn more about the **Diamond Certified program and its 12-step qualification process**, visit DiamondCertified.org.
