

PrimeNova Solutions offers premium press releases, brand support, book marketing, and architectural services.

Ado, Ekiti Nov 21, 2025 ([IssueWire.com](https://www.issuewire.com)) - PrimeNova Solutions, founded by media and branding specialist Joshua Abiodun, proudly announces the official launch of its professional service brand dedicated to empowering creators, authors, entrepreneurs, and businesses with high-impact digital solutions.

The company provides a full suite of services including Press Release Writing and Distribution, Children's Book Illustration Support, Architectural Stamping Assistance, and Book Marketing (BTV Method)—offering a one-stop resource for clients seeking visibility, credibility, and strategic market growth.

A Modern Branding & PR Company Built for Results

PrimeNova Solutions was created with one mission: to help individuals and organizations communicate their stories with excellence and influence.

“Every brand, creator, and business has a message that deserves to be heard,” said Joshua Abiodun, Founder and Lead Consultant. “PrimeNova Solutions was built to transform those messages into powerful media-ready content, professional designs, and strategic marketing that help clients stand out and succeed.”

The company bridges creativity with strategy, offering clients both digital products and hands on services designed to deliver measurable impact.

SERVICES NOW AVAILABLE AT PRIMENOVA SOLUTIONS

1. Professional Press Release Writing & Distribution

PrimeNova Solutions offers:

Expertly written press releases using industry standard PR formatting

Tailored messaging for brands, entrepreneurs, authors, creatives, and corporate announcements

Distribution support across online news outlets, blogs, media channels, and search platforms

This service helps clients build deep credibility, enhance online visibility, and attract partners, customers, and media attention.

2. Children's Book Illustration Support

PrimeNova Solutions assists authors with:

Guidance in conceptualizing story visuals

Illustration planning and storyboard direction

Book formatting and creative development for children's publications

This service is perfect for aspiring authors looking to publish visually appealing, market ready children's books.

3. Architectural Stamping & Documentation Support

The company provides structured assistance for:

Architectural stamping requirements

Building plan documentation

Project verification support

Professional consultation for compliance and design review

This service is essential for clients who need reliable document support for architectural or structural submissions.

4. Book Marketing Using the BTV Method

PrimeNova Solutions specializes in BTV (Branding – Targeting – Visibility), a powerful marketing strategy designed exclusively for authors.

The BTV method helps authors:

Build their author brand

Identify and reach the right audience

Increase book sales and long term visibility

Position their books for marketplace success

This service is ideal for both new and established authors seeking a structured marketing system.

A Reliable Partner for Professionals, Creators, and Businesses

PrimeNova Solutions also offers:

Digital products

Portfolio templates

Media kits

Client acquisition systems

Professional branding tools and design support

Clients benefit from a streamlined process, fast delivery, and personalized service designed to help them grow with confidence.

Founder's Vision

Joshua Abiodun shared that PrimeNova Solutions is only the beginning of a broader mission to build a digital ecosystem that supports creators and business owners worldwide.

“Our goal is to provide excellence, reliability, and innovation,” he said. “Whether it’s a press release, a children’s book concept, architectural documentation, or book marketing, PrimeNova Solutions is committed to delivering professional solutions that produce real results.”
