

Scooter Rental King Expands Access Through New Resort Partnerships in the Disney Area

FDA Class II Medical Device

Orlando, Florida Nov 3, 2025 ([Issuewire.com](https://www.issuewire.com)) - Scooter Rental King, Central Florida's trusted provider of mobility scooters, wheelchairs, strollers, and baby equipment, has announced new resort partnerships throughout the Disney area. These partnerships allow guests to conveniently rent mobility and baby equipment directly through participating resorts, making it easier than ever for families and visitors to enjoy their stay without the hassle of transporting bulky gear.

“Our goal has always been to make vacations accessible, comfortable, and worry-free,” said a spokesperson for Scooter Rental King. “By teaming up with local resorts, we’re giving guests a seamless way to reserve the equipment they need, all delivered, sanitized, and ready to use upon arrival.”

Scooter Rental King’s growing list of partner properties includes a range of vacation resorts, hotels, and condo communities near Walt Disney World, Universal Orlando, and surrounding attractions. Each location now offers on-site or concierge booking options, giving guests immediate access to brand-new, well-maintained equipment such as:

- [Mobility scooters](#) and **electric wheelchairs** for guests needing extra assistance
- [Single and double strollers](#) for families with young children
- [Pac n Plays, highchairs, and walkers](#) for convenience and comfort

All rentals are professionally cleaned, sanitized, and safety-checked before every delivery. Guests booking multiple items online can also take advantage of **special multi-item discounts**.
