

Shunyatax Global Achieves ₹890 Cr Tax Savings & Expands Offshore Asset Advisory to ₹200 Cr+

63+ UHNI Clients, 312 Active Relationships & Global expansion journey led by Prerak Baheti

Mumbai, Maharashtra Nov 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - Shunyatax Global: Transforming Cross-Border Tax Advisory with Technology and Expertise

Shunyatax Global Fintech Solutions LLP, founded in 2023 by **Prerak Baheti**, has rapidly emerged as a trusted name in **international tax planning and global financial compliance**. In just a short span of time, the firm has advised on **₹200 Crore+ worth of offshore assets**, helped clients save over **₹890 Crore in taxes**, and established **312+ long-term client relationships**, including **63+ Ultra High Net-Worth Individuals (UHNI)** across India and abroad.

Who They Are & What They Do

Shunyatax Global specializes in the strategic domains of:

- **International Tax Planning & Cross-Border Taxation**

- **FEMA & RBI Compliance for Indian residents, NRIs, and global entities**
- **Transfer Pricing and Global Business Structuring**
- **Virtual CFO Services for startups, SMEs, and international companies**
- **Multinational Business Expansion Advisory (UAE, UK, Singapore, USA & more)**

The firm is known for its **expert-led and technology-driven approach**, combining financial knowledge, legal accuracy, and AI-powered tools to ensure clients remain fully compliant while minimizing global tax liabilities.

Technology Meets Tax Strategy

What makes Shunyatax stand out is its **integration of AI and finance** in tax advisory. Their systems analyze cross-border transactions, detect double taxation risks, and recommend the most tax-efficient decisions — all while strictly adhering to Indian and international regulatory standards. Whether it's NRI tax planning, foreign remittances under the Liberalised Remittance Scheme (LRS), global business setup, or corporate restructuring, Shunyatax provides precise, ethical, and legally compliant solutions.

By focusing on **automation, data security, cloud documentation, and real-time financial forecasting**, Shunyatax is reshaping how individuals, startups, family offices, and multinational businesses manage their financial strategies and global tax responsibilities.

Client Impact & Global Presence

Shunyatax has already assisted **over 312 active clients**, including established enterprises, entrepreneurs, exporters, and global investors. Their advisory services have successfully guided **₹200 Crore+ offshore assets** while enabling clients to **legally save ₹890 Crore+ in domestic and international taxes**.

With a strong presence in India, Shunyatax is now expanding operations and strategic partnerships across **UAE, Singapore, UK, and USA**, making Indian financial advisory services globally accessible.
