

SkinWise Clinic by Dr. Khushboo Sethia Debuts in Bangalore with Advanced Dermatology and Aesthetic Services

Offering Hydrafacial, laser hair reduction, Botox, fillers, threads and speciality skin care, the clinic focuses on ethical, transparent and personalised treatments.

Bengaluru, Karnataka Nov 23, 2025 ([IssueWire.com](https://www.issuewire.com)) - SkinWise Clinic, founded by dermatologist **Dr. Khushboo Sethia**, has officially opened in **Bellandur, Bangalore**, offering a full suite of advanced dermatology, laser, and aesthetic treatments. The clinic aims to bring ethical, evidence-based skincare to one of Bangalore's most rapidly developing neighbourhoods.

SkinWise Clinic provides comprehensive care across skin, hair, and anti-ageing, with a strong focus on scientifically proven procedures. The clinic specialises in **laser hair reduction, Hydrafacial, Botox, fillers, thread lifts, acne and pigmentation treatments, medical facials, PRP therapy, and skin rejuvenation**. All procedures are performed by a qualified dermatologist to ensure safety, precision, and natural-looking results.

Speaking about the launch, **Dr. Khushboo Sethia** shared:

“Patients today want clarity, honesty, and treatments that truly work. At SkinWise Clinic, we explain every step, personalise every plan, and use globally trusted technologies. Our goal is to offer modern skincare and aesthetic solutions without compromising on ethics or patient comfort.”

With Bangalore witnessing a significant rise in demand for aesthetic dermatology, SkinWise Clinic stands out for its patient-centric approach. The clinic follows global dermatology protocols, conducts thorough consultations, and ensures that every treatment—whether laser hair reduction, anti-ageing injectables, or skin corrective therapy—is customised for Indian skin types.

Located in Bellandur, SkinWise Clinic is easily accessible for residents of **Sarjapur Road, HSR Layout, Haralur Road, Kadubeesanahalli, Marathahalli**, and other nearby areas. The clinic aims to serve individuals seeking a trustworthy **dermatologist in Bangalore** and those exploring safe, modern aesthetic treatments.

SkinWise Clinic also integrates technology to enhance the patient experience, offering online appointment scheduling, clear post-care guidance, and progressive treatment roadmaps. The environment is designed to be calm, minimal, and welcoming—reflecting the clinic’s philosophy of providing **“Beyond Skincare.”**

Patients can book consultations for acne, pigmentation, hair loss, ageing concerns, facial enhancement, or routine skin health. With dermatologist-performed treatments, transparent pricing, and a focus on long-term results, SkinWise Clinic brings a new standard of dermatology and aesthetics to Bangalore.
