

Skytech Aviation Expands Its Excellence with New Training Centre in Guwahati

The institute aims to empower Northeast India's youth with world-class aviation, hospitality, and airport management training.

Guwahati, Assam Nov 13, 2025 ([Issuewire.com](https://www.issuewire.com)) - Skytech Aviation, one of India's rapidly growing aviation and hospitality training institutes, proudly announces the expansion of its operations with a new training centre in **Guwahati**. With this launch, the institute strengthens its presence as the [best air hostess training institute in Guwahati](#), offering world-class training and placement-focused programs for aspiring aviation professionals.

The Guwahati centre features modern classrooms, grooming labs, industry-standard training tools, and a dedicated placement support team. Skytech Aviation focuses on practical, personality-driven training that prepares students for careers as cabin crew, ground staff, customer service officers, and hospitality professionals.

Speaking about the expansion, [Arun Shokeen](#), Founder of Skytech Aviation, said, *“Our goal is to empower students from the Northeast with the skills, confidence, and industry exposure needed to build successful aviation careers. Guwahati is a vibrant and fast-growing region, and we are excited to open new opportunities for young aspirants here.”*

Known for its **100% placement assistance**, professional grooming sessions, communication training, interview preparation, and experienced faculty, Skytech Aviation continues to shape the next generation of aviation professionals. The institute remains committed to contributing to India’s rapidly expanding aviation industry by setting new standards in training excellence.
