Mandi Gobindgarh, Punjab Nov 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Desh Bhagat University, one of the leading private universities in Punjab, has officially announced the upcoming PhD entrance exam for students who wish to pursue doctoral programs across various disciplines. This entrance exam provides an opportunity for research-driven individuals to begin their academic and professional research journey under the guidance of experienced mentors and faculty members.

The [PhD entrance exam](#) at Desh Bhagat University is designed to evaluate candidates' subject knowledge, analytical skills, and research aptitude. The exam will cover multiple subjects, depending on the field of study chosen by the applicant. After qualifying, candidates will go through an interview and selection process before securing admission to the PhD program.

Desh Bhagat University offers PhD programs in a wide range of fields including science, commerce, management, education, social sciences, computer science, and more. The university follows a research-based academic approach that encourages innovation, creativity, and practical problem-

solving. With advanced research facilities and expert faculty, students gain the right environment to explore new ideas and contribute meaningfully to their chosen field.

Candidates interested in applying are advised to visit the official university website for detailed information about eligibility, syllabus, and the application process. The university has also shared clear guidelines to help students prepare effectively for the entrance test. Students should start early preparation and stay updated with all important announcements related to the upcoming PhD entrance exam.

Speaking about the examination, a university representative said,
"Desh Bhagat University aims to promote quality research and innovation through its PhD programs. Our focus is to nurture scholars who can contribute to academic, social, and industrial growth. The PhD entrance exam is an important step toward identifying such talented individuals."

The registration process for the entrance exam will be available soon on the official website. Interested candidates can apply online and check the official notification for key dates and instructions.

For more information, visit the official website of Desh Bhagat University at <https://deshbhagatuniversity.in/>. Students can also find complete details about the PhD entrance exam including eligibility criteria, subjects offered, and important deadlines.
