

## **Stony Lonesome Group & Pathfinder Solutions Group Expand National Security Footprint with New D.C. Office**

**Tampa, Florida Nov 3, 2025 ([Issuewire.com](https://www.Issuewire.com))** - Stony Lonesome Group (SLG) and Pathfinder Solutions Group (PSG) today announced the opening of a new joint satellite office in Crystal City, strategically co-located with SLG portfolio company **Cyberspatial**. This new hub places the firms at the heart of the defense innovation corridor—just minutes from the Pentagon—and strengthens their connection to national security partners driving mission-critical innovation.

“Opening this office puts us even closer to the DoD stakeholders and operators we serve,” said **Sean Drake**, Managing Partner of Stony Lonesome Group. “By joining forces with Cyberspatial and Pathfinder, we’re deepening collaboration across the defense tech ecosystem and accelerating dual-use technologies that enhance national defense and resilience.”

The new office symbolizes the next chapter in SLG and PSG’s commitment to empowering founders, advancing dual-use innovation, and bridging the gap between commercial technology and government missions.

**Lawrence Nunn**, Founder and CEO of **Cyberspatial**, added: “Having Stony Lonesome Group and Pathfinder Solutions Group co-located with us creates a powerful nucleus of innovation. Their expertise in venture, systems integration, and defense engagement amplifies our ability to deliver cutting-edge cyber visualization and situational awareness tools to the national security community.”

An **Open House** will be held on **November 6th from 2:00 PM – 4:30 PM EST**, featuring a workspace tour, networking opportunities, and a live **Cyberspatial platform demonstration**.
