

Terrence D. Sims' Eyes WIDE Open invites readers to experience a powerful journey of faith, freedom, and boundless love.

Riverside, California Nov 20, 2025 ([IssueWire.com](https://www.issuewire.com)) - **USA Publishing Hub** proudly announces the upcoming release of *Eyes WIDE Open: How God's Love Sets You Free to Love Without Limits*, an inspiring new work by Terrence D. Sims, pastor, author, and faith leader known for his teachings that bridge liberation theology with practical spirituality. The book will be available for purchase on Amazon starting November 24, 2025.

In *Eyes WIDE Open*, Terrence D. Sims invites readers to look at faith through a transformative lens, where love, justice, and spiritual freedom intersect. Drawing from Scripture, an accessible theology emerges from decades of leadership in both ministry and business. Sims explores what it means to live and love with clarity, courage, and compassion.

Through his concept of “Careful Carelessness,” Sims redefines how believers can experience God’s love in a way that frees them from performance-based faith and empowers them to love others without fear or limits. The book combines rich biblical insight with real-life applications, offering practical steps through the CARE Framework (Connect, Ask, Respond, Evaluate)—a daily practice to embody divine love in everyday life.

“When you know that God has your back, you can stick your neck out for others,” says Sims. “Freedom in faith isn’t about comfort—it’s about courage to see the world as God sees it and love it back to wholeness.”

About the Author

Terrence D. Sims is a dynamic Christian leader, speaker, and theologian with a ministry rooted in justice, compassion, and transformation. Ordained within the African Methodist Episcopal Church, Sims has served faithfully since 2001 and most recently pastored Bethel AME Church of Fontana, where his leadership inspired spiritual and numerical growth from 2021 to 2025.

Holding a Master of Divinity from Central Baptist Theological Seminary (2023), Sims received the Philip Wendell Crannell Award for Excellence in Preaching. Beyond the pulpit, he brings more than 30 years of corporate experience as a business executive and consultant, advocating for equity and dignity across social systems.

In October 2025, Sims founded *Eyes WIDE Open Christian Church*, an extension of his vision for a spiritually liberated and socially conscious faith community. His unique background in theology and leadership informs his work on advisory boards such as OneStep Digital Physical Therapy, TEKCHILLS Foundation, and the Alliance for Physical Therapy Quality and Innovation.

Proceeds from *Eyes WIDE Open* will support community transformation and justice ministries through *Eyes WIDE Open Christian Church* initiatives, embodying Sims’s belief that “theology must always translate into tangible liberation for God’s people.”
