San Diego, California Nov 27, 2025 (IssueWire.com) - The film Markus Bixby is now Streaming Free on Tubi and FlixFling.

The producers wish to thank all those interested in this independent movie production and to inform them of the film's completion.

Markus Bixby tells the story of a man who works at a glass bottom boat company in Catalina Island, California. One day while working at his job, he sees something amazing under the water.

This micro-budget film features a diverse cast of newer actors, who bring life to the unique story. Shooting locations for this film include footage from the beautiful Santa Catalina Island in California, USA and San Diego, CA.

Please note that this movie is a slow-burn fantasy, with a rewarding conclusion.

Markus Bixby stars Donald Barre, Junior King, Princetta Readus and Javon Simmons as Markus. Additional actors include Andre Aragon, Rio Kamimura, Kiya Jones, Vanessa Lauren Freeman, Andrew Hanna, David Thomson, Johnny Guzman, Joseph Preston, Michael Li, Matthew DeVine and Trevon Rubbins.

Cinematography for the film was completed by Kenneth Jenkins.

The makers of this film express gratitude to any individuals that view (or just sample) the film on the listed platforms. This is especially recognized in today's time-limited world.

The movie is exclusively distributed by Summer Hill and BayView Entertainment.
