

The World's First AI-Powered Lead Finder

LeadsGorilla.io Revolutionizes Lead Generation for Digital Agencies, Local Marketers, and Entrepreneurs

New York City, New York Dec 22, 2025 (Issuewire.com) - Today, LeadsGorilla.io, the world's first AI-powered lead finder, announces its official launch, offering a game-changing solution to businesses, digital agencies, and entrepreneurs looking to find, nurture, and close new clients quickly and efficiently. The platform enables users to [identify qualified leads](#) in less than 60 seconds, simplifying the process to just three steps: Point, Click, and Watch as Hundreds of Prequalified Leads Line Up.

AI Technology That Works for You

LeadsGorilla.io leverages cutting-edge AI to automatically generate business reports for prequalified leads, allowing users to identify the least optimized leads, craft personalized proposals, and close deals faster. With an easy-to-use dashboard, the platform provides businesses with everything they need to find, contact, and close new clients from one seamless location.

“Our mission at LeadsGorilla.io is to make lead generation accessible and effortless for businesses of all sizes,” said [Founder Name], founder and CEO of LeadsGorilla.io. “With our AI-driven technology, we’ve made it possible for businesses to find the highest quality leads in less than a minute and dramatically reduce the time spent on prospecting. It’s a tool that helps you spend more time on revenue-generating activities and less time on tedious, manual work.”

Features That Make a Difference

LeadsGorilla 2.0 solves several key problems faced by digital agencies, local marketers, and entrepreneurs, including:

- **AI-Powered Lead Scoring:** Find the highest quality leads available with our new AI-powered lead score technology.
- **Cold Email & Proposal Automation:** Generate high-converting cold emails and custom business proposals, increasing your chances of success.
- **Google Business Profile Optimization:** Improve Google, Yelp, and Facebook reviews with AI tools, and help businesses claim their Google Business Profile to capture more sales.
- **Multi-Language Support:** Client-generated reports are available in multiple languages, making it easier to engage a global audience.
- **Time-Saving Tools:** Save time prospecting by letting AI automate the process, freeing up more time to focus on closing deals.

Solving Major Business Challenges

LeadsGorilla.io addresses common pain points faced by many local businesses:

- **Unclaimed Google Business Profiles (GBP):** Despite the benefits, 56% of businesses have neglected to claim their Google Business Profile, missing out on valuable traffic and sales opportunities.
- **Lack of Social Media & Online Presence:** Many businesses struggle to maintain an active social media presence or effectively engage with their audience online.
- **Inefficient Email List Management:** LeadsGorilla.io helps businesses build and manage email lists, automating promotions and follow-ups to drive sales.
- **Outdated Websites:** The platform helps businesses optimize their websites for mobile, ensuring they don’t miss out on the growing mobile traffic.

With the power of AI, LeadsGorilla.io makes lead generation smarter and easier, helping businesses overcome obstacles and scale faster.
