

theWorkbook Launches Real-Time Translation in TeamShare — Empowering Global Collaboration Across 248 Languages

theWorkbook
Powering Studios, Empowering Talent

Los Angeles, California Nov 4, 2025 ([IssueWire.com](https://www.issuewire.com)) - *theWorkbook*, a leading global platform connecting actors, agents, casting directors, and producers, today announced the rollout of real-time translation for **248 languages** within its **TeamShare** communication tools. This powerful enhancement enables production teams and casting professionals worldwide to collaborate instantly — without language barriers.

The new feature seamlessly translates conversations and updates in real time, allowing users to communicate naturally in their preferred language while ensuring that every team member receives clear, accurate messages. From coordinating international shoots to managing casting updates, *TeamShare* now bridges global creative communities like never before.

“Our mission has always been to connect the world’s creative professionals,” said **Susan Fox**, Founder & CEO of *theWorkbook*. “With live translation in 248 languages, we’re enabling teams across continents to share ideas, make decisions, and move projects forward faster and more inclusively than ever before.”

This update builds on *theWorkbook*’s ongoing leadership in digital casting, talent management, and production software. Fully available in English, Spanish, and French, *theWorkbook* powers a growing network across 65 countries, providing tools that simplify submissions and self-tapes, enhance discoverability, and streamline collaboration across every stage of production.

With the addition of real-time translation in *TeamShare*, *theWorkbook* continues its mission to unite the entertainment world through innovation, connection, and accessibility ensuring that language is never a barrier to creativity or opportunity.

Key Highlights

- Real-time translation in **248 languages**
- Fully integrated within *theWorkbook*’s **TeamShare** messaging and collaboration tools
- Available immediately to users worldwide

About *theWorkbook*:

theWorkbook's global network consists of offices in Los Angeles, New York City, Toronto, Vancouver, Montreal, Mexico City, Madrid, and Bogota with production, casting, agents, managers and talent in 65 countries. Services are offered in English, French and Spanish. Its customer service teams were ranked #1 globally as part of Help Scout's annual Award Ranking of 12,000 companies in over 140 countries.

theWorkbook offers innovative tools to help actors search jobs, submit self-tapes, work seamlessly with their agents. Whether reading its popular Center Stage magazine, watching its weekly Green Room series, submitting a self-tape on its top-rated mobile Actor App, *theWorkbook's* commitment is and always will be to provide complete customer support and satisfaction.
