

Upper Class Collections Expands to Indonesia, ASEAN and Australia, Professional Debt Recovery and Credit Management.

Upper Class Collections Expands to Indonesia, Singapore, Malaysia, Vietnam, and the Philippines: A Professional International Debt Recovery and Credit Management Solution Based in Australia

Indonesia), an Australia-based international credit management and financial recovery provider, has formally expanded its operations to five key Southeast Asian markets: Indonesia, Singapore, Malaysia, Vietnam, and the Philippines.

Recognized for its integrity and measurable performance in global credit recovery, UCC Global Indonesia now delivers comprehensive credit management, receivables recovery, and cross-border financial administration solutions in line with international regulatory compliance and business ethics. The move is designed to support regional enterprises in improving cash flow management and fostering greater business stability throughout ASEAN.

Global Network and Data Security

With a professional network spanning more than 130 international partners, UCC Global Indonesia conducts financial recovery processes efficiently and transparently across multiple jurisdictions. Its operations are supported by advanced digital technologies and a strong commitment to international data protection laws, including GDPR and region-specific privacy regulations.

Sector-Based Professional Services

UCC Global Indonesia's solutions are tailored for a broad spectrum of industries, including:

- **Banking and Financial Institutions** – Supporting credit recovery while maintaining reputation and client relationships
- **Education and Universities** – Managing receivables ethically and efficiently
- **Healthcare and Medical Services** – Handling patient, insurance, and medical receivables with confidentiality and regulatory compliance
- **Government and State-Owned Enterprises** – Supplying administrative support and transparent financial reconciliation processes
- **International Trade and Technology** – Delivering cross-border risk management and commercial dispute resolution

Competitive Strengths

- Headquartered in Australia, with offices and partnerships across ASEAN
- Network of more than 130 industry partners
- Full GDPR, ISO, and local compliance
- Integrated digital solutions for credit recovery and financial administration
- Measurable results, transparency, and client-focused integrity

Commitment to ASEAN Businesses

A representative of UCC Global Indonesia stated, “With our expanded operations in Indonesia and across Southeast Asia, Upper Class Collections aims to support businesses in achieving greater cash flow efficiency, operational stability, and cross-border financial reliability.”

Through local service centers and multilingual contact teams, the company enables organizations to reduce administrative workloads and financial risks, allowing business owners to concentrate on core operations and strategic growth.
