

VehicleCare Expands Its Expert Car Services Network in Faridabad— Offering Smart, Affordable,

VehicleCare introduces tech-driven, multi-brand car services in Faridabad — ensuring quality maintenance, transparent pricing, and doorstep convenience for every car owner.

Gurgaon, Haryana Nov 13, 2025 ([Issuewire.com](https://www.issuewire.com)) - VehicleCare, India's trusted multi-brand car service network, has expanded its footprint with the launch of its professional **car services in Faridabad**. The initiative aims to simplify car maintenance for city drivers through **tech-enabled booking, certified workshops, and affordable service packages**, ensuring convenience and quality for every customer.

As one of NCR's fastest-growing cities, Faridabad has a growing demand for professional car care. VehicleCare meets that need by offering **end-to-end car maintenance solutions** — from periodic servicing and inspections to detailing, engine repair, and doorstep pickup & drop — all backed by **skilled mechanics and genuine spare parts**.

"Our goal is to make professional car service accessible and trustworthy for every vehicle owner in Faridabad," CEO of VehicleCare. "By combining technology, expertise, and transparency, we're redefining how car care is delivered in India's urban centers."

Comprehensive Car Services in Faridabad Include:

- Periodic Car Service (Basic, Standard & Comprehensive)
- Car Inspection & Diagnostic Services

- **Engine, Brake, and Suspension Repairs**
- **Wheel Alignment, Balancing & Tyre Replacement**
- **Car Wash, Detailing & Ceramic/Teflon Coating**
- **Doorstep Pickup & Drop Facility**

VehicleCare's digital platform allows customers to **book car services online**, get **instant quotes**, and **track live updates** — ensuring a smooth, transparent experience from start to finish. The company's network in Faridabad covers key areas like **Sector 15, Ballabhgarh, NIT, and Greenfield**, providing fast and convenient access to quality car care.

With its growing network across major Indian cities such as **Delhi, Noida, Gurgaon, and Ghaziabad**, VehicleCare continues to lead the way in transforming India's car service ecosystem through innovation and trust.

About VehicleCare

VehicleCare is a tech-enabled multi-brand car service platform that connects car owners with certified workshops across India. Offering transparent pricing, genuine spare parts, and reliable services, VehicleCare's mission is to make car care simple, smart, and stress-free for every vehicle owner.
