

West Appliance Service Expands Premium Appliance Repair Operations Across Los Angeles

Company strengthens its coverage across major metro areas, including Beverly Hills, Santa Monica, Manhattan Beach, El Segundo, Glendale.

Los Angeles, California Nov 7, 2025 ([IssueWire.com](https://www.issuewire.com)) - *West Appliance Service*, a California-based appliance repair and installation company, announced the expansion of its certified service coverage throughout the Greater Los Angeles area and the Chicago metropolitan region.

Founded in 2017 by **Alisa Zimenkova** and **Ivan Zimenkov**, the company specializes in high-end appliance repair for luxury brands including **Sub-Zero, Wolf, Viking, Thermador, and Miele**. With a focus on precision, transparency, and same-day service, *West Appliance Service* has become one of the most trusted names in premium appliance care in Southern California.

“Our mission is to bring trust, precision, and speed to every home or business we serve,” said **Alisa Zimenkova**, founder and operations manager of West Appliance Service. “We’re proud to deliver Sub-Zero and Wolf certified repairs across Los Angeles and expand our commitment to quality through our sister company, TrustPro Appliance, in Chicago.”

Comprehensive Appliance Services

West Appliance Service provides certified repair and installation for all major household appliances, including **refrigerators, freezers, ovens, ranges, cooktops, dishwashers, dryers, washing machines, wine coolers, and outdoor grills**.

Each service is performed by experienced, **EPA-certified technicians**, using factory-approved tools and genuine parts to ensure long-term reliability and safety.
