

10XF Releases a New Life Planner Designed to Build Biblical Identity and High-Performance Leadership

A complete spiritual and strategic planning system for men ready to rise above distraction and step into their purpose.

Minneapolis, Minnesota Dec 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - Introducing the 10XF Life Planner: A Faith-Driven System Helping Men Lead With Clarity, Discipline, and Purpose

10XF today announced the release of the **10XF Life Planner**, a comprehensive faith-centered planning system designed to help Christian men reclaim clarity, build unshakable discipline, and lead their families, businesses, and lives with purpose. The planner is now available at <https://www.10xf.co>.

Developed by the 10XF team, the [10XF Life Planner](https://www.10xf.co) blends biblical identity, high-performance frameworks, and practical daily planning into a single, powerful tool. It is built for men who want to stop drifting, break free from distraction, and live the life God designed them to live.

“Most planners help you get organized,” a 10XF user said. “This one helps you get aligned—with your calling, with your character, and with God’s vision for your life. When identity comes first, discipline follows, and leadership becomes natural.”

A System for Becoming the Man God Designed You to Be

The 10XF Life Planner introduces a structured process that guides men through:

- **Identity Clarity:** Scripture-anchored prompts that root daily decisions in biblical truth.
- **Purposeful Planning:** Daily, weekly, and monthly frameworks designed to eliminate noise and keep life aligned with core priorities.
- **Leadership Growth:** Habits, reflections, and leadership cues that strengthen confidence at home, at work, and in spiritual life.
- **Whole-Life Alignment:** Goal-setting across faith, family, fitness, and business so men lead with integrity and consistency.

Unlike traditional planners that focus solely on productivity, the 10XF Life Planner brings a holistic model—spirit, body, mind—built to help men step into their God-given leadership.

Created for a Generation of Men Hungry for Purpose

The planner emerges at a cultural moment when many men feel overwhelmed, unfocused, or disconnected from their deeper calling. 10XF responds to that need with a simple but powerful premise: **When men know who they are in Christ, they lead differently.**

Early users have described the planner as *“a mindset shift,” “a daily anchor,”* and *“a system that brings me back to who God made me to be.”*

Availability

The **10XF Life Planner** is available now exclusively at <https://www.10xf.co>.

Digital and physical formats are offered, along with complementary resources for men pursuing deeper spiritual and personal transformation.
