

America's Best in Medicine Recognizes Jose Maria Longoria III, D.C.: Your Trusted Chiropractor in McAllen, Texas

Providing Personalized Chiropractic Care to Support Lasting Health and Wellness

McAllen, Texas Dec 10, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Jose Maria Longoria III, D.C., affectionately known

as Dr. Joey, is making significant strides in the field of chiropractic care as the president of Chiropractic Center of McAllen. Specializing in spine and extremity chiropractic adjustments, spinal decompression therapy, myofascial acoustic compression therapy (piezowave 2 machines), low-level laser therapy, and innovative core stabilization techniques using the state-of-the-art Spine Force 180 machine, Dr. Longoria III takes a holistic approach to health that prioritizes addressing the root causes of pain and dysfunction.

Dr. Longoria III's philosophy centers on restoring a healthy spine and extremity biomechanics rather than merely providing temporary relief. This commitment has established him as a trusted provider of long-lasting pain relief and recovery, catering to individuals of all ages, including children 6 years and above to young adults, seniors, and pregnant women. "What I enjoy most about practicing medicine is seeing the end results and meeting the goals of the treatment plan. Witnessing patients regain their health, mobility, and quality of life after treatment is incredibly rewarding and motivates me to provide the best care possible," says Dr. Longoria III.

Dr. Longoria III's educational background is rooted in a strong foundation in anatomy and chiropractic care. He earned his Bachelor of Science in Anatomy and Doctor of Chiropractic from Parker College of Chiropractic in Dallas, Texas, graduating on September 11, 2003. His dedication to his profession has garnered recognition in various local media outlets, including Channel 4 News, Channel 5 News, and The Monitor Newspaper, showcasing his unique contributions to the chiropractic community.

At the Chiropractic Center of McAllen, Dr. Longoria III offers a comprehensive range of services, including Extracorporeal Shockwave Therapy, Spinal Decompression, Back Pain Treatment, Auto Injury Treatment, Sports Injury Treatment, and Work Injury Treatment. He is dedicated to guiding patients on their journey back to maximum wellness, with a special focus on treating sports injuries, making him a go-to choice for McAllen residents seeking effective chiropractic solutions.

Outside of his practice, Dr. Longoria III is committed to ongoing education and staying abreast of the latest advancements in chiropractic care, ensuring that he provides the highest standard of treatment for his patients. His compassionate approach and extensive knowledge empower individuals to take control of their health, making the Chiropractic Center of McAllen a beacon of hope for those seeking lasting relief from pain.
