

America's Best in Medicine Recognizes June Roman, MSN, RN, PMHCNS-BC, as Geriatric Mental Health Advocate at Mercy LIFE

Fostering Individualized Care and Collaborative Solutions to Support Behavioral and Psychiatric Well-Being in Older Adults

Philadelphia, Pennsylvania Dec 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Philadelphia, Pennsylvania – Mercy LIFE West Philadelphia proudly announces the ongoing contributions of June Roman, MSN, RN, PMHCNS-BC, a seasoned Board-Certified Adult Psychiatric-Mental Health Clinical Nurse Specialist. With a profound commitment to geriatric mental health, June provides individualized counseling and works closely with interdisciplinary teams to address a wide range of behavioral and psychiatric needs.

June's nursing journey began in 1969 when she graduated with a Diploma in Nursing from the prestigious Hospital of the University of Pennsylvania (HUP) School of Nursing. She furthered her education by earning a Bachelor of Science in Nursing from La Salle University, followed by a Master of Science in Nursing from the University of Pennsylvania. Over her remarkable 30-year career at HUP, June honed her expertise in the Department of Psychiatry, gaining extensive clinical experience on Gates 10, 11, and Founders 11. Her research contributions, particularly in examining the role of Advanced Practice Nurses in caring for individuals with serious mental illness who are HIV positive, highlight her dedication to improving patient outcomes.

Beyond her clinical practice, June has made significant strides in nursing education. She has taught psychiatric nursing at the University of Pennsylvania School of Nursing and has served as the Associate Course Director for undergraduate Psychiatric Nursing. Her ongoing membership in the American Nurses Association and the American Psychiatric Nurses Association underscores her commitment to the profession and continuous professional development.

Since 2004, June has been providing private counseling and consultation services for both individuals and healthcare providers, showcasing her expertise and compassion. In her current roles at Mercy LIFE and as a mental health consultant for Bayada Home Care, she continues to champion the mental health needs of older adults, ensuring that they receive the comprehensive care and support they deserve.

June Roman's unwavering dedication to advancing mental health care reflects her lifelong commitment to serving the community. Her multifaceted approach, combining clinical excellence with education and advocacy, positions her as a vital resource in the field of geriatric mental health.
