

## Award-Winning Author Dr. Louis McCall

Brings the Life of Joshua to Vivid Life in a Riveting New Biblical Historical Novel

Australian Capital Territory, Australia Dec 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - Books To Life Marketing proudly presents *Joshua: Slave, Understudy, Warrior, Spy, Successor, Conqueror, and Ruler* by Dr. Louis McCall brings to life one of Scripture's greatest heroes in a sweeping, faith-filled narrative. This deeply researched and spiritually grounded novel portrays Joshua's extraordinary rise—from the slave pits of Egypt to the heights of leadership over God's chosen people—as a story of obedience, perseverance, and unwavering trust in the Almighty. Drawing from Biblical accounts, historical context, in-country travel, and vivid storytelling, Dr. McCall offers readers a fresh and inspiring perspective on the man who led Israel into the Promised Land.

**"Some people seek greatness while others have greatness thrust upon them."**

### Quote from Author:

"In Joshua we see a man who passed the test of adversity and a lowly beginning. In his later years, he passed the test of putting his nation above personal comforts, adulation, and legacy that has tripped up others. He walked away from personal power at the height of his success—refusing to become a king or to install a successor—choosing instead to leave the people under God's direct rule."

— Dr. Louis McCall

## About the Book

*Joshua* is the story of an underdog—a man who rose from the slave pits of Egypt to become one of history's most remarkable leaders. Through divine guidance and steadfast faith, Joshua led three million former slaves into the Promised Land of Canaan.

From a 40-year apprenticeship under Moses to his miraculous victories as Israel's first military Field Marshal, Joshua's journey illustrates what God can do through a faithful servant. He witnessed miracles of nature and power on par with those of Moses, serving as the intermediary for God's theocratic governance over Israel.

In his final act, Joshua courageously confronted pagan nations, subdued the progeny of giants, and divided the Promised Land among Israel's tribes. Before his death, he gathered the nation to remind them of God's faithfulness, warning that disobedience would bring a curse—but also holding out hope for eventual restoration.

This compelling Biblical historical fiction bridges the worlds of faith and history, revealing a fresh, human perspective on a figure often seen only through legend.

## Praise for *Joshua*

"Dr. McCall is one of the unique authors who can take historical facts, Biblical accounts, and good storytelling and weave them together to produce an insightful and interesting journey through the most famous ancient text. He doesn't just write from book knowledge, but from personal exploration through the geography of the text."

— **Pastor Joel Schmidgall, National Community Church**

## About the Author

**Dr. Louis McCall** has written several fictional works of Christian biography rooted in Biblical history and informed by his extensive global travels.

Born in Chicago, Illinois, he earned a Ph.D. in Political Science from **Northwestern University** and later attended the **National War College of the National Defense University**. His distinguished career at the **U.S. Department of State** spanned 36 years, serving as **Consul General in Florence, Italy; Chargé d'Affaires in Brunei; U.S. Representative to the Republic of San Marino; and Assistant Inspector General.**
