Resistencia, Chaco Dec 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - BONAHOA Releases New Single “Path of Love” Featuring Ronnie Romero

A cinematic classic-rock tribute to memory, loss, and acceptance

Argentinian guitarist and songwriter **Paul Bonahora**, creator of the collaborative rock project

BONAHORA, has released “**Path of Love**,” a new single featuring **Ronnie Romero** (Rainbow, Michael Schenker Group). Rooted in classic rock and wrapped in a modern, atmospheric edge, the track blends emotional storytelling with a nostalgic, lifted rock sound.

Inspired by a letter Bonahora discovered after his father’s passing, “**Path of Love**” explores memory, loss, and the meaning we find in the people who continue to shape our lives even after they’re gone. The single combines expressive guitar work, Romero’s powerful vocal delivery, and a cinematic mood that resonates deeply.

The track features **Fernando Scarcella** and **Pablo Motyczak** (both ex-Rata Blanca) on drums and bass. Produced by **PAF Music** and recorded at **Pilart Studios** in Buenos Aires, the release is accompanied by an atmospheric lyric video created by **Diabolus in Graphica**.

“Path of Love” is the second release from BONAHORA’s upcoming six-track EP, with additional songs scheduled for monthly release after the holiday season.
