

CAD \$ 10,000 Rebate on Basement Development in Calgary

Aim Builders introduces a new \$10,000 rebate program to help Calgary homeowners complete basement developments and suite upgrades, offering a more affordable way to enhance home value and create functional living spaces.

Calgary, Alberta Dec 20, 2025 (IssueWire.com) - Homeowners in Calgary can now celebrate the holiday season with more excitement, as Aim Builders, a leading [Home renovation company in Calgary](#), announced a new \$10,000 rebate program for homeowners looking to complete basement developments or basement suite upgrades. This initiative aims to provide easy access to homeowners looking to transform their homes with a limited budget and generate more monetary value for their homes.

“With rising interest in multi-functional homes, legal suites, and income-generating [basement renovations](#), Calgary residents are looking for cost-efficient ways to upgrade their properties,” said a leading chairperson at *Aim Builders* “Our \$10,000 rebate is designed to reduce financial pressure and allow homeowners to complete projects that improve comfort, value, and usability.

The rebate is available for:

- Legal secondary suites
- Family entertainment spaces

- Home offices and studios
- Bedrooms and bathrooms
- Rental-ready basement conversions
- Custom storage and utility solutions

All work will comply with the local building codes, permit requirements, and safety standards. The company places strong emphasis on keeping the information transparent with its customers throughout every project.

Calgary has seen the demand for basement renovations snowball in the past few years and continues to grow. Aim Builders states that their rebate reflects its ongoing commitment to supporting community growth and ensuring homeowners have access to high-quality and affordable development services.

Interested homeowners are encouraged to schedule a consultation to confirm eligibility and secure their discount.
