Fullerton, California Dec 9, 2025 ([IssueWire.com](https://www.issuewire.com)) - The COOP Foundation, a nonprofit dedicated to the *Care Of Other People*, proudly announces its **35th Annual Family Drive and Christmas Party**, taking place on **Saturday, December 13th** at [Cooperstown Chiropractic in Fullerton](#). Led by Dr. Ken Cooper and his team, the event invites the local community to help bring joy, relief, and holiday magic to families in need.

This year's celebration will benefit **13 families** and over **60 children with special needs**, with volunteers joining together to provide gifts, entertainment, meals, and meaningful holiday experiences.

"For 35 years, we've been guided by the belief that service is the highest calling," said **Dr. Ken Cooper**, founder of the COOP Foundation and head chiropractor at Cooperstown Chiropractic. "This event is not just about giving — it's about hope, healing, and reminding people they are not alone."

Dr. Cooper is also the author of [Concussion CPR: A Revolutionary Approach to Healing and Recovery](#), a newly released guide on holistic concussion care that draws from over three decades of clinical experience.

Activities kick off at **2:00 p.m.** with **Miracle League Kids** at **3:30 p.m.** and the **Family Drive beginning at 4:30 p.m.** Free chiropractic adjustments will also be offered from **3:30 to 6:00 p.m.** to anyone attending the event.

Volunteers and community members are encouraged to get involved by contributing their:

- **Time** – help shop for gifts or assist with setup
- **Talent** – sing, paint faces, or dress up as a Disney or superhero character
- **Treasure** – sponsor a child for \$200 or a family for \$500

Together, the COOP Foundation aims to create a Christmas like never before for local families facing hardship — and make sure every child knows they are seen, loved, and celebrated.

About the COOP Foundation

Founded in 2001, the **COOP Foundation** (Care Of Other People) is a 501(c)(3) nonprofit dedicated to serving families in need through education, outreach, and hands-on support. Its flagship event — the annual Family Drive and Christmas Party — has grown to become a beloved Fullerton tradition.

About Cooperstown Chiropractic

Cooperstown Chiropractic, based in Fullerton, CA, is led by [Dr. Ken Cooper](#), a nationally recognized chiropractor with over 30 years of experience. The clinic offers a multi-dimensional approach to care, specializing in chiropractic services, pediatric wellness, and Dr. Cooper's proprietary **Concussion CPR Protocol**, a drug-free, holistic approach to post-concussion healing.
