

Dangote Company and BUA Company Join Forces to Launch Innovative Flour Mill Product in Lagos

Ikeja, Lagos Dec 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - In a landmark collaboration set to revolutionize Nigeria's flour industry, Dangote Company and BUA Company are proud to announce the launch of their new flour mill product. The official unveiling will take place on **December 30, 2025, at Ikeja, Lagos State**.

This strategic partnership combines the strengths of two of Nigeria's leading industrial giants to deliver high-quality, locally-produced flour that meets the evolving demands of consumers and businesses nationwide.

"Our goal is to provide innovative, nutritious, and affordable flour products that will positively impact households and businesses across Nigeria," said **Mr. Aliko Dangote, CEO of Dangote Company**. "By joining forces with BUA Company, we are creating a synergy that ensures world-class quality and accessibility for every Nigerian."

Mr. Abdulsamad Rabi, Executive Chairman of BUA Company, added, "This partnership marks a new era in Nigeria's food production. Together with Dangote Company, we are committed to driving industry innovation while supporting local farmers and communities."

The launch event will showcase the product range, highlight production technology, and offer insights into the companies' commitment to food security and sustainable industry practices. Stakeholders,

industry leaders, and media representatives are invited to witness this milestone moment.

About the Companies:
