

DARK RAGE: Where Magic Meets Starships in an Epic War Across the Cosmos

D.J. Darcey

Marysville, Washington Dec 18, 2025 ([IssueWire.com](https://www.issuewire.com)) - Primix Publishing announces the release of DARK RAGE, an epic fantasy and space opera by debut author D.J. Darcey.

Two queens. One commands vampires, werewolves, and fallen angels seeking vengeance. The other must unite humans, elves, dwarves, and centaurs to survive. But the villain heals orphans even as she burns villages, and harbors secrets that will reshape everything both sides believe.

DARK RAGE will appeal to fans of Sarah J. Maas's morally complex heroines, the political intrigue and brutal stakes of Game of Thrones, and the galaxy-spanning warfare of Warhammer 40K. Its fusion of high fantasy creatures with interstellar battles offers something fresh for readers hungry for epic scope.

The author is available for interviews and review copy requests. Press materials available upon request.
