

DCP Logistics Group Streamlines UK-China Trade with Nationwide Customs Clearance Services

CUSTOMS AGENCY

Logistics Group Ltd.

London, United Kingdom Dec 21, 2025 ([Issuewire.com](https://www.issuewire.com)) - **DCP Logistics Group**, one of London's leading customs clearance agencies, is pleased to announce expanded support for UK companies and importers sourcing goods from China. Recognizing the vital importance of the China-UK trade lane, DCP Logistics Group now offers comprehensive, full [import customs clearance solutions](#) designed to ensure goods move swiftly from arrival to final destination.

Navigating the complexities of international trade regulations can be a major hurdle for importers. DCP Logistics Group removes this friction by handling all necessary HMRC documentation, duty calculations, and compliance checks. This service is essential for businesses looking to avoid costly delays and demurrage charges often associated with importing Chinese products.

Unmatched Nationwide Coverage

DCP Logistics Group differentiates itself with a massive operational footprint. The agency provides seamless clearance services on the biggest **international airports in the UK** ([Heathrow](#), Gatwick, Manchester, Birmingham), facilitating urgent air freight needs.

Furthermore, the group operates across every major sea port in the United Kingdom. Importers can rely on DCP's expert teams at key logistics hubs including:

- [Southampton](#)
- [Dover](#)
- **Liverpool**

- **London Gateway**
- **Felixstowe**

“Our goal is to be the strategic partner for any importer bringing goods from China,” said a owner for DCP Logistics Group – Mr. Mariusz Wozniak. “Whether you are a large distributor using the Port of Felixstowe or an e-commerce business air-freighting stock to Heathrow, we are on the ground to ensure your cargo clears customs immediately.”

DCP Logistics Group invites importers of all sizes to leverage their expertise to streamline their supply chains and ensure total compliance with UK border regulations.

About DCP Logistics Group

Based in London, DCP Logistics Group is a premier customs clearance agency dedicated to facilitating international trade. With a network spanning every major UK sea port and international airport, the company provides tailored logistics and customs solutions that keep supply chains moving efficiently.
