

Dr. Athar Mujtaba Presents Groundbreaking Stem Cell and Aesthetic Research at Long Island Physicians' Conference

Clifton, New Jersey Dec 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Athar Mujtaba Presents Groundbreaking Stem Cell and Aesthetic Research at Long Island Physicians' Conference Sponsored by Venus Aesthetics

The Mujtaba Clinics proudly announce that **Dr. Athar Mujtaba, DNP-FNP, MD**, Director of Mujtaba Clinics and a distinguished Preceptor/Professor for doctoral candidates in Primary Care at the **State University of New York**, delivered a prominent address at a medical conference sponsored by **Venus Aesthetics** in Long Island, New York.

Speaking before physicians, aesthetic practitioners, and healthcare leaders, Dr. Mujtaba delivered **advanced clinical research on stem cells, regenerative aesthetics, and evidence-based biologic therapies**. His presentation examined the changing role of cellular rejuvenation, minimally invasive aesthetic science, and the combination of functional medicine with modern cosmetic innovations.

Dr. Mujtaba's lecture highlighted:

- Advances in stem-cell-supported regeneration
- Aesthetic applications that complement primary care
- Patient-centered approaches for skin health and tissue repair
- The expanding use of scientifically validated minimally invasive technologies

Conference attendees praised Dr. Mujtaba's skill in translating complex scientific concepts into practical clinical strategies that are applicable to everyday primary care practice.

About Venus Aesthetics

Venus Aesthetics is a global leader in non-invasive cosmetic technology and medical aesthetics. Recognized for its science-based innovation, Venus creates advanced systems for skin tightening, wrinkle reduction, body contouring, photorejuvenation, scar remodeling, and regenerative wellness.

Their systems are widely used by dermatologists, plastic surgeons, primary care doctors, and aesthetic practitioners because of their **safety, minimal downtime, comfort-focused protocols, and proven clinical results**.

With a strong international presence, Venus Aesthetics leads in **technology, beauty, and medical science**, enabling healthcare professionals to boost patient confidence and provide top-tier aesthetic care.

Mujtaba Clinics congratulates **Dr. Athar Mujtaba** on his exceptional contribution to the medical community and for representing the institution with distinction at this prestigious educational event.
