Baton Rouge, Louisiana Dec 19, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Triumph Over Tragedy, LLC proudly announces the leadership of Dr Chantell S. Dillon, PsyD, LPCT, a licensed professional Christian therapist and the company's Founder and CEO. With a heartfelt mission to inspire healing, growth, and purpose, Dr. Dillon integrates her clinical expertise with a Christian worldview, offering a holistic

approach to mental health and well-being.

Dr. Dillon, a proud New Orleans native, embodies a unique combination of roles as a daughter, wife, singer, caregiver, and prayer warrior. Her diverse experiences enrich her practice, allowing her to connect deeply with clients from all walks of life. Specializing in trauma, anxiety, depression, grief and loss, and family therapy, as well as spiritual struggles, Dr. Dillon employs evidence-based therapy methods intertwined with biblical principles that address the whole person—mind, body, and spirit. This approach fosters a safe and judgment-free environment where clients feel empowered to confront their challenges and work towards meaningful change.

“Our focus is to help individuals heal, energize, and become aware of their inner strengths. We achieve this by providing a neutral safe space, listening to your concerns, and customizing a treatment plan,” Dr. Dillon states. Her compassionate philosophy emphasizes that true wellness emerges from aligning one’s life with God’s design. Through prayer, scripture, and psychological insights, she guides her clients towards thriving both mentally and spiritually.

In addition to her clinical work, Dr. Dillon is dedicated to giving back to her community. She actively volunteers and organizes events such as “Enola Whitten Feeding the Seniors,” reflecting her commitment to service and compassion. Balancing work and family life, she cherishes the time spent with loved ones and embraces opportunities for personal growth and travel.

As Triumph Over Tragedy, LLC continues to expand its impact, Dr. Chantell S. Dillon remains steadfast in her mission to transform lives through comprehensive healing. Her vision is clear: to help individuals grow from their struggles, heal from their pain, and move forward to where they want to be in life.

The success of her business is attributed to four people in her life. God, who has made it all possible. Her Husband Sean, who has been the driving force behind it all, never lets her give up. Mrs. Enola, her mom, who instilled in her a nurturing and caring spirit, and her family, who are her biggest supporters.
