

Dr. F. Curtis Bryan: A Pillar of Excellence in Cardiac Care at Florida Medical Clinic, Orlando Health

Celebrated Cardiothoracic Surgeon Brings Over Two Decades of Expertise and Commitment to Advancing Heart Health

Saint Petersburg, Florida Dec 2, 2025 ([Issuewire.com](https://www.issuewire.com)) - Florida Medical Clinic Orlando Health proudly highlights Dr. Bryan, a board-certified cardiothoracic surgeon with over two decades of

experience, who continues to elevate the standards of cardiac care within the community. Renowned for his expertise in intricate surgical procedures, Dr. Bryan is committed to improving patient outcomes through advanced techniques and compassionate care.

Dr. Bryan specializes in a range of cardiac procedures, including heart valve repair and replacement, coronary artery bypass grafting, and surgeries for electrical heart disorders. His extensive academic background, which began with studies in aerospace science at Tennessee State University and neurobiology at Harvard University, equipped him with a unique perspective in medicine. He graduated summa cum laude from Vanderbilt University in 1984 and earned his Doctor of Medicine degree from Emory University in 1988.

Following his medical education, Dr. Bryan completed rigorous residencies at Emory University Affiliated Hospitals, excelling as an administrative chief resident in cardiothoracic surgery. His dedication to surgical innovation was further demonstrated through fellowships in cardiothoracic surgery and research at the Carlyle-Fraser Heart Center, as well as the prestigious Harvard Medical School Surgical Leadership Program.

An esteemed Diplomate of the American Board of Thoracic Surgery, Dr. Bryan has held influential roles, including serving as the Medical Director of Clinical Support and Cardiovascular Care at AdventHealth Medical Group. His previous contributions to the structural heart valve program with the West Florida Division of HCA further showcase his commitment to advancing cardiac health.

Dr. Bryan's professional memberships with organizations such as the American College of Surgeons and the Society of Thoracic Surgeons reflect his ongoing dedication to excellence in the field. His accolades, including recognition as one of America's Top Doctors and a Top Doctor in Florida, underscore his impact on patient care and surgical advancements.

Beyond his impressive medical career, Dr. Bryan embodies the spirit of perseverance, having completed the Ironman World Championship in Kona, Hawaii. This passion for endurance mirrors his dedication to his patients and the pursuit of excellence in cardiothoracic surgery.
