

Elizabeth A. Len Wai Reminds Readers That God Has Already Given Us the Ultimate Parenting Guide — the Bible

Weston-super-Mare, Somerset Dec 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - Books To Life Marketing proudly presents *Children Do Come With a Manual, It's the Bible* by Elizabeth A. Len Wai, an uplifting and faith-centered book that assures readers of God's intentional design, unconditional love, and timeless wisdom for raising children and navigating life's challenges.

"God, as our heavenly Father, has graciously provided us with a manual to instruct and guide us through the trials and challenges of this life, because of His great love for us," says Elizabeth A. Len Wai, author of *Children Do Come With a Manual, It's the Bible*.

About the Book

In this heartfelt and inspirational guide, Elizabeth A. Len Wai reminds readers that **God's Word is the true and complete manual for life and parenting**. Through scripture, reflection, and encouragement, she emphasizes that every person—no matter their past, background, or circumstance—is **loved, valued, and intentionally created** by God with a purpose.

This book serves as a reminder that we are not left to navigate life alone; the Creator who made us also

provided the guidance we need within His Word. Readers will find comfort, clarity, and renewed faith as they explore the divine wisdom God offers to every parent and believer.
